**Application U/s 6(1) Of Right To Information Act, 2005**

To,  
State Public Information Officer (SPIO)  
O/O Principal Chief Conservator of Forest & Head of Forest Force (PCCF & HoFF)  
Environment & Forest, Government Of Assam  
Aranya Bhawan, Panjabari, Guwahati,  
Kamrup (Metropolitan) - 781037

**Subject: Information sought regarding the reports created by the State Expert Committees (SEC) in compliance with the Supreme Court order and judgement date 12 December 1996.**

Madam/ Sir,

I, Aditya Banerjee, a citizen of India, am applying for Information u/s 6(1) of the Right to Information Act 2005. The particulars of the application are as follows:

**I. Details of Applicant :**

- Name: Aditya Banerjee
- Address: 64/74A, Belgachia Road, Milk Colony, Kolkata-700037, West Bengal
- Contact No: 9366469689
- Email: adiban22@gmail.com

**II. Date of submission of the application: 21.08.2023**

**III. Information required:** The Supreme Court, in its order and judgement dated 12 December 1996 in *T.N. Godavarman Thirumulkpad vs Union Of India & Ors* had issued directions for the protection of all forest lands throughout the country. A copy of the said order is attached and marked as **Annexure A**.

The aforesaid order mandated the creation of State Expert Committees (SECs) in each state within one month of the passing of the order. The SECs were tasked to do the following:

- Identify areas which are "forests", irrespective of whether they are so notified, recognised or classified under any law, and irrespective of the ownership of the land of such forest;
- identify areas which were earlier forests but stand degraded, denuded or cleared; and
- identify areas covered by plantation trees belonging to the Government and those belonging to private persons

In addition to this, another committee comprising the Principal Chief Conservator of Forests (PCCF) and another Senior Officer were tasked with overseeing the compliance of the order and filing the status reports prepared by the SEC.

With respect to the above, the applicant would like to acquire information regarding the following:

1. Has this State Government constituted a State level Expert Committee (SEC) as mandated by the 202/96 T.N. Godavarman judgement of the Hon'ble Supreme Court. If yes, please provide information on the members comprising the SEC. Kindly furnish their names, designations and qualifications.
2. If the SEC was not constituted, please provide reasons for the inability in the constitution of the SEC.
3. Please provide a copy of the report submitted by the State Expert Committee in compliance of the Supreme Court's directives in the aforesaid order along with the dates on which they were filed.
4. Did the SEC update its reports? If yes, then kindly make available the updated reports along with the dates on which the updated reports were filed.
5. Has the Ministry of Environment, Forest and Climate Change provided any feedback or input or suggestion on the report submitted by the SEC? If yes, please provide copies of all such communication including feedback, clarification, suggestions etc. received from the MoEFCC .
6. Please provide details of the area of land which is notified as Reserve Forests under Section 20 of the Indian Forest Act 1927 or the State equivalent law for this state by way of GPS coordinates, etc. Kindly provide the data as per the Forest Division in the State.
7. Please provide the details of the land which is notified under Section 4 of the Indian Forest Act 1927 or the State equivalent law, and yet to be notified under Section 20 of the Indian Forest Act 1927 or the State equivalent law by way of GPS coordinates, etc. Kindly provide the data as per Forest Division in the State.
8. Please provide the details of the land which are intended to be notified on the basis of any letter, notification, circular etc, but yet to be notified under Section 4 of the Indian Forest Act 1927 by way of GPS coordinates, etc. Kindly provide the data as per the Forest Division in the State.
9. In addition to identification of notified areas according to the Court-specified parameters, did the SEC identify deemed forests? If yes, then kindly provide the records/ reports and other relevant documents in relation to such identification.
10. Please provide the details of the land which are recorded as 'forest' by way of GPS coordinates etc., in any Government record including records held by government department, administration, authority, local body, community, or council recognized by the State government. Kindly provide the data as per Forest Division in the State.

**IV. Application Fee details:** Encl. Application Fee of Rs 10/- by court fee stamp of Rs. 10/- affixed on the top of the application.

1. I request you to follow Section 7(3) of the RTI Act 2005 for providing information with photocopies of supporting documents related to the information requested above.

- 7
2. In case, the requested information is held by another public authority, I request the SPIO to transfer the application or part of it within FIVE days and immediately inform me about such a transfer.
  3. In case, there are further fees required to provide the requested information, I request the SPIO to inform me of the additional fee amount along with the calculations made to arrive at the amount.

**V. How the Applicant would like the information to be sent:**

I would like the above mentioned information to be sent to me by either email and by post. My details are as below:

- a) Email ID: adiban22@gmail.com
- b) 64/74A, Belgachia Road, Milk Colony, Kolkata-700037, West Bengal

ACT:

HEADNOTE:

JUDGMENT:

(With W.P.(Civil) No. 171/96)  
ORDER

In view of the great significance of the points involved in these matters, relating to the protection and conservation of the forests throughout the country, it was considered necessary that the Central Government as well as the Governments of all the States are heard. Accordingly, notice was issued to all of them. We have heard the learned Attorney General for the Union of India, learned counsel appearing for the States and the parties/applicants and, in addition, the learned Amicus Curiae, Shri H.N. Salve, assisted by Sarvashri U. U. Lalit, Mahender Das and P.K. Manohar. After hearing all the learned counsel, who have rendered very able assistance to the court, we have formed the opinion that the matters require a further indepth hearing to examine all the aspects relating to the National Forest Policy. For this purpose, several points which emerged during the course of the hearing require further study by the learned counsel and, therefore, we defer the continuation of this hearing for some time to enable the learned counsel to further study these points.

However, we are of the opinion that certain interim directions are necessary at this stage in respect of some aspects. We have heard the learned Attorney General and the other learned counsel on these aspects.

It has emerged at the hearing, that there is a misconception in certain quarters about the true scope of the Forest Conservation Act, 1980 (for short the 'Act') and the meaning of the word "forest" used therein. There is also a resulting misconception about the need of prior approval of the Central Government, as required by Section 2 of the Act, in respect of certain activities in the forest area which are more often of a commercial nature. It is necessary to clarify that position.

The Forest Conservation Act, 1980 was enacted with a view to check further deforestation which ultimately results in ecological imbalance; and therefore, the provisions made therein for the conservation of forests and fore matters connected therewith, must apply to all forests irrespective of the nature of ownership or classification thereof. The

State Governments, as approved by the Central Government. In the absence of any Working Plan in any particular State, such as Arunachal Pradesh, where the permit system exists, the felling under the permits can be done only by the Forest Department of the State Government or the State Forest Corporation.

4. There shall be a complete ban on the movement of cut trees and timber from any of the seven North-Eastern States to any other State of the country either by rail, road or water-ways. The Indian Railways and the State Governments are directed to take all measures necessary to ensure strict compliance of this direction. This ban will not apply to the movement of certified timber required for defence or other Government purpose. This ban will also not affect felling in any private plantation comprising of trees planted in any area which is not a forest.

5. Each State Government should constitute within one month an Expert Committee to:

- (i) Identify areas which are "forests", irrespective of whether they are so notified, recognised or classified under any law, and irrespective of the ownership of the land of such forest;
- (ii) identify areas which were earlier forests but stand degraded, denuded or cleared; and
- (iii) identify areas covered by plantation trees belonging to the Government and those belonging to private persons.

6. Each State Government should within two months, file a report regarding:-

- (i) the number of saw mills, veneer and plywood mills actually operating within the State, with particulars of their real ownership;
- (ii) the licensed and actual capacity of these mills for stock and sawing;
- (iii) their proximity to the nearest forest;
- (iv) their source of timber.

7. Each State Government should constitute within one month, an Expert Committee to assess :

- (i) the sustainable capacity of the forests of the State qua saw mills and timber based industry;
- (ii) the number of existing saw mills which can safely be sustained in the State;
- (iii) the optimum distance from the forest, qua that State, at which the saw mill should be located.

8. The Expert Committees so constituted should be requested to give its report within one month of being constituted.

9. Each State Government would constitute a Committee comprising of the Principal Chief Conservator of Forests and another Senior Officer to oversee the compliance of this order and file status reports.

II. FOR THE STATE OF JAMMU & KASHMIR:

1. There will be no felling of trees permitted in any

forests, public or private. This ban will not affect felling in any private plantation comprising of trees planted in any area which is not a 'forest'; and which has not been converted from an earlier "forest". This ban will not apply to permits granted to the right holders for their bonafide personal use in Himachal Pradesh.

2. In a 'forest', the State Government may either departmentally or through the State Forest Corporation remove fallen trees or fell and remove diseased or dry standing timber from areas other than those notified under Section 18 or Section 35 of the Wild Life Protection Act, 1972 or any other Act banning such felling or removal of trees.

3. For this purpose, the State Government is to constitute an expert Committee comprising a representative from MOEF, a representative of the State Government, two private experts of eminence and the MD of the State Forest Corporation (as Member Secretary), who will fix the qualitative and quantitative norms for the felling of fallen trees and diseased and standing timber. The State shall ensure that the trees so felled and removed are in accordance with these norms.

4. Felling of trees in any forest or any clearance of forest land in execution of projects shall be in strict conformity with the Forest Conservation Act, 1980 and any other laws applying thereto. Moreover, any trees so felled, and the disposal of such trees shall be done exclusively by the State Forest Corporation and no private agency is to be involved in any aspect thereof.

#### IV. FOR THE STATE OF TAMIL NADU:

1. There will be a complete ban on felling of trees in all forest areas'. This will however not apply to:-

(a) trees which have been planted and grown, and are not of spontaneous growth, and

(b) are in areas which were not forests earlier, but were cleared for any reason.

2. The State Government, within four weeks from today, is to constitute a committee for identifying all "forests".

3. Those tribals who are part of the social forestry programme in respect of patta lands, other than forests, may continue to grow and cut according to the Government Scheme provided that they grow and cut trees in accordance with the law applicable.

4. In so far as the plantations (tea, coffee, cardamom etc.) are concerned, it is directed as under:

a) The felling of shade trees in these plantations will be -

i) limited to trees which have been planted, and not those which have grown spontaneously;

ii) limited to the species identified in the TANTEA report;

iii) in accordance with the recommendations of (including to the extent recommended by) TANTEA; and

iv) under the supervision of the statutory committee constituted by the State Government.

b) In so far as the fuel trees planted by the plantations for fuel wood outside the forest area are concerned, the State Government is directed to obtain within four weeks, a report from TANTEA as was done in the case of Shade trees,
